

IN THE UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF TEXAS
DALLAS DIVISION

FRANCISCO LOPEZ ECHEVERRIA,	§	
	§	
Petitioner,	§	
v.	§	Civil Action No. 3:19-CV-1581-L
	§	Criminal No. 3:16-CR-421-L
UNITED STATES OF AMERICA,	§	
	§	
Respondent.	§	

ORDER

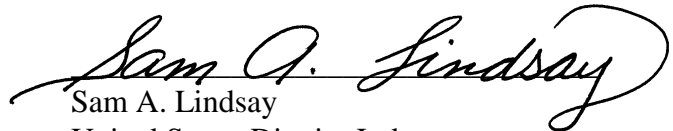

On September 23, 2020, the Findings, Conclusions and Recommendation of the United States Magistrate Judge (“Report”) (Doc. 12) was entered in this case, recommending that this habeas action under 28 U.S.C. § 2255, as well as Petitioner’s claims based on ineffective assistance of counsel, and alleged constitutional violations during sentencing be dismissed with prejudice. No objections to the Report were filed as of the date of this order even though Petitioner’s deadline to file objections was extended to November 19, 2020.

After considering the Motion under 28 U.S.C. § 2255 to Vacate, Set-aside, or Correct Sentence (Doc. 2) (“Motion”), the file, record in this case, and Report, the court determines that the findings and conclusions of the magistrate judge are correct, and **accepts** them as those of the court. Accordingly, the court **denies** Petitioner’s Motion (Doc. 2), and **dismisses with prejudice** this habeas action and all claims asserted by Petitioner.

Considering the record in this case and pursuant to Federal Rule of Appellate Procedure 22(b), Rule 11(a) of the Rules Governing §§ 2254 and 2255 proceedings, and 28 U.S.C. § 2253(c),

the court **denies** a certificate of appealability.* The court determines that Petitioner has failed to show: (1) that reasonable jurists would find this court’s “assessment of the constitutional claims debatable or wrong;” or (2) that reasonable jurists would find “it debatable whether the petition states a valid claim of the denial of a constitutional right” and “debatable whether [this court] was correct in its procedural ruling.” *Slack v. McDaniel*, 529 U.S. 473, 484 (2000). In support of this determination, the court accepts and incorporates by reference the magistrate judge’s report filed in this case. In the event that a notice of appeal is filed, Petitioner must pay the \$505 appellate filing fee or submit a motion to proceed *in forma pauperis* on appeal.

It is so ordered this 30th day of November, 2020.

Sam A. Lindsay
United States District Judge

* Rule 11 of the Rules Governing §§ 2254 and 2255 Cases provides as follows:

(a) **Certificate of Appealability.** The district court must issue or deny a certificate of appealability when it enters a final order adverse to the applicant. Before entering the final order, the court may direct the parties to submit arguments on whether a certificate should issue. If the court issues a certificate, the court must state the specific issue or issues that satisfy the showing required by 28 U.S.C. § 2253(c)(2). If the court denies a certificate, the parties may not appeal the denial but may seek a certificate from the court of appeals under Federal Rule of Appellate Procedure 22. A motion to reconsider a denial does not extend the time to appeal.

(b) **Time to Appeal.** Federal Rule of Appellate Procedure 4(a) governs the time to appeal an order entered under these rules. A timely notice of appeal must be filed even if the district court issues a certificate of appealability.
